

Mountain Rescue Association

THE UNIT MEMBERSHIP APPLICATION PROCESS

Please review the Policy 101 (below) for "Membership Qualifications". You need not be accredited to join. Typically, new teams join as Associate Members and then go through the accreditation process over the next several years. Once you have completed your application, return it to the MRA. If you do not yet have a Sponsor-Team from the Region, one will be arranged. You are highly encouraged to attend a Regional meeting and the National MRA meeting following your submission of an application in order to introduce your team and for us to give you support.

Dues and Fees

A one-time non-refundable processing fee of \$250 USD is charged for the application. The MRA votes new applicants twice annually at the winter meeting and the June conference. Once you have been approved you are required to submit dues of \$15.00 per active team member (Rescue & Support) for a minimum of \$225 and a maximum of \$1,000 USD. Dues are collected annually on January 1 and must be paid before a member team will be allowed to vote at a business meeting. Ex-Officio teams are not required to pay dues or fees.

Membership Categories

Mountain Rescue Association is composed of three membership categories as defined by Policy 101. They are:

- 1) Regular - Volunteer teams accredited in all areas
- 2) Ex-Officio – Governmental/Professional teams that may be accredited in any or all areas
- 3) Associate – SAR related organizations that may be accredited in one or more areas.

Ex-Officio non-accredited and Associate non-accredited status needs only an administrative process. It requires Region, Membership Committee and Board approval.

Regular, Ex-Officio or Associate with Accreditation, the region and sponsor team will schedule orientation meetings and joint trainings, as well as schedule the actual accreditation. The Accreditation Evaluation Team is made of qualified senior MRA team members from your area. Field evaluations may be done in your response area.

If you choose to accredit, the evaluations will include the following, depending on the Accreditation category and specific regional requirements as covered in Policy 103

Revised 7/6/2004

1. Administrative Evaluation:

A. An extensive administrative review of your application package for the necessary information and supportive foundation.

2. Field Evaluation:

A. WILDERNESS SEARCH

Mock Search Operation

Table Top Search Discussion

B. TECHNICAL ROCK

High Angle Evacuation

Scree Evacuation

Hauling Systems

Oral Exercise of Safety Factors, Equipment Strengths and Dynamics, etc.

C. SNOW & ICE

Once the testing is done, the Evaluation Team makes a recommendation to your Regional Chair, who then passes it on for voting by the MRA at the next national meeting (meetings are twice a year: the winter meeting and the June conference). Upon your acceptance to the MRA, **we hope that you will be able to attend this meeting so that we may welcome you as a new MRA Team or Agency.**

THANK YOU FOR YOUR INTEREST

If you have any additional questions after you have reviewed the packet, please call one of the contacts listed on the cover sheet.
