  o If teams radios are owned by the Sheriffs Office then the SO get the bill. Otherwise the SAR team will get the bill.
  o Contact Joe Ben if teams require more information.

• Recertification's:
Mountain Rescue Association
Rocky Mountain Region

- No word from Crested Butte on their recert for 2011.
- 2012:
  - Albuquerque: March 10 – 11
  - Atalaya: Last week in March
  - Aspen: Late May.
- Vice Chair suggested that the region put a restriction on recert dates to no later than June 1st. This is due to some scenarios requiring certain conditions not being able to be performed in that team county if the date is too late.

Old Business: By-Laws:
- Motion: Greg Foley: To accept bylaws as proposed on regional website document. Regional team automatic proxy language removed. Seconded: George Janson.
- Motion passed unanimously (teams that were present).

New Business
- BOD Financial Support:
  - Tim Cochrane approached the BOD with an idea to provide financial support to the regional BOD for travel to national conferences.
  - Discussion:
    - Foley: Possibility of regional dues. California MRA sends 1 regional board member to national per year. They have a $25/$30 / team/year dues.
    - Most teams financially support members to travel to conferences.
    - Straw vote: many teams would support a dues system ($50 ?)
    - Foley: To draft a Bylaws change for discussion at Winter meeting
      - How much?
      - How to reimburse?
      - What is it allowed to be spent on.
      - When due?
    - What about smaller teams? $75 regular teams, $50 associate?
    - Possibility of a corporate sponsor: Donor could earmark donation to national for use by Rocky MRA.
    - Dan Lack: Will find out from national the specifics of the current fund and if National MRA would restrict monies in any way.
- Regional Website:
  - Regional website hosting has changed to a commercial provider.
  - Woody has donated the first years cost.
Mountain Rescue Association
Rocky Mountain Region

- Regional Chair to approach National MRA for yearly support of that cost. Approx $100.

- Narrow Banding of Radio Frequencies:
  - All teams need to be aware that narrow banding ill remove protections for MRA1 and MRA2.
  - If teams want MRA1 or MRA2 after 31\textsuperscript{st} December 2012 they need to specifically license them.
  - Ask Joe Ben for more information.

- National Conference:
  - June 17\textsuperscript{th} and 18\textsuperscript{th}. Pre-conference 15\textsuperscript{th} and 16\textsuperscript{th}.
  - Pre-Conference: HolyCross hikes, Unified area command class.
  - Saturday Sunday Plan:
    - 4 major scenarios.
    - Looking for regional teams to bring ropes/litters/trucks to assist with scenarios.
    - Special registration fee of $45 for those helping with logistical support.
    - Joe Ben: doing comms for the scenarios. Offered participation options in that area for interested people.

- El Paso Recert:
  - EPCSAR thanked the lead evaluator and scenario leads for their recert for the fair scenarios.

21:50: Meeting Adjourned

Submitted by Dan Lack. 23\textsuperscript{nd} June 2011
